

¿Qué pasó in Spanish?

Prep

Prep students are beginning their Spanish learning! We have begun learning basic greetings and vocabulary in Spanish (Hola, ¿Cómo estás?). Students will be learning how to say "My name is" in Spanish (Me llamo) and playing lots of Spanish games. Prep students will be singing songs that include the Spanish colours and numbers. Students will be creating their own Spanish passports with all of their Spanish knowledge and new words! ¡Excelente!

Years 1-2

Year 1-2 students are continuing their Spanish learning! Students are learning vocabulary about school in Spanish (maestro, escuela, escrito). We will be reading and roleplaying books about school in Spanish. Year 1-2 students will be continuing playing Spanish games such as Manzanitas de Peru (name game) and Patata Caliente (hot potato). Students will be reviewing family vocabulary (mamá, papá, familia) and creating their own Spanish stories about their families. ¡Muy bien!

Years 3 & 4

Year 3-4 students have been excelling at Spanish this term! Students have reviewed their Spanish skills and are ready to continue their learning. Students have spoken with friends about their plans for the future in Spanish. Students will be creating a project "En mi futuro" (In my future) where they speak about their future plans in Spanish. Students will be presenting this information through role play, presentation, voice memo or video at the end of the term.

¡Asombroso!

Years 5 & 6

Year 5-6 students have been learning new vocabulary in Spanish! Students will be learning vocabulary relevant to advertising in Spanish (¡Comprar ahora!) Year 5-6 students will be making their own Spanish commercial for a product of their choice. Students can choose to create a printed version or a video commercial that they will be sharing with the class in a presentation. ¡Perfecto!
